Sex and the Carny

The erotic
world of the
traveling
carnival,
where
fantasies
can and do
come true

Hurry, hurry, step right up! We'll give you rides like you've never had before. Admission to the midway is a ticket to orgasmic fantasy for many a sex-starved girl seeking arousing adventure. Inhibitions drop along with panties as they get swept up in a sexual frenzy.

"Women start juicing and licking their lips almost as soon as they walk through the entrance gate," says Benny, a co-owner and long-time barker of a carny show that's been traveling backwater towns and state fairs for years. "They've got dick on their minds and they're out to get a fast piece before they go home."

The word "carnival" means "putting away flesh," a reference to the orgies of Mardi Gras. Like a big brother, the circus, the carnival has always borne a dual identity. While it tries to appeal to wide-eyed kiddies with clowns, animals, rides and cotton candy, it's also pitched to wider-eyed adults with winking displays of nudity and performances that dangle at the edge of lewdness.

"I'll tell you who gets some of the best pussy shoved in their faces," says Benny. "It's the teenagers we hire as roustabouts in each town. They're always muscular kids and when they start sweating, they start stripping. By the time the early crowd arrives, there

are suntanned young studs all around the grounds showing off their dicks in skimpy swimsuits and low-riding jeans. Joey here can tell you about it."

Joey started with the carny as a pickup roustabout two years ago, and decided to stay on as a game pitchman and straw boss.

"Shit, man. A rowdy can get all the hard fucking he wants," says Joey. "The first day I'm grabbing a few minutes of rest, standing around in a bathing suit, which is like throwing raw meat to the she wolves. A redheaded piece of ass, maybe 30, with a wedding ring on her finger and wearing skintight jeans, wriggles her round ass up and starts bullshitting with me. While she's talking, she reaches down and wraps her hand right around my crotch. 'God, you're big!' she says. Naturally, my dick starts stretching out into a thick hard-on."

"An hour later I'm out tightening the rigging on the show tent when this bra-busting girl strolls over and asks me how I got those awful scratches on my back. Then she starts sliding her hand down the ass of my swimsuit. Soon I've got her in one of the trailers and I'm sucking those titties, letting her bite my ass and tongue my asshole. 'I want to eat you!' she yells, so I pry her mouth wide open and shove my cock into it.

"It's while I'm squirting my hot cum down her throat that I decide this is the life for me. Next day I sign on as a permanent.

"We had this giant, a guy about eight feet tall, and almost every woman who came in the tent was itching to get a look at his cock, even offering extra to see it. Now, he sported a cock about a foot long, but the poor son of a bitch also had a potency problem and almost never got an erection. But that didn't stop his fans. They'd drop a sawbuck to play with his limp organ—feel it, kiss it, suck it, and try to stiffen it up.

"His partner, a dwarf, got the same treatment. 'Are you that small everywhere?' some busty babe would whisper. 'Come to my dressing room and find out,' he'd answer, and as soon as she got a look at his better-than-full-sized banana, he could rack up another fuck job."

"Before my time they had honest-to-

God geeks," says Benny. "A geek was a guy whose whole act consisted of biting the heads off live chickens and snakes. Don't ask me how the hell something like that got started, but it was always a big attraction.

"They say women used to crowd the tent when the geek did his thing, shrieking and covering their eyes but also getting turned on. The macho violence or something, I guess. Anyway, geeks had reputations as major studs, nailing one or two women from the crowd to the floor of their rooms every night."

"Face it," says Benny. "Carnies have been dying for years. They can't compete with TV, movies, the internet and other attractions. T. But lately there are a lot of young people joining the shows. They come out of circus schools looking for work or just find, with a little training, it's a good way to pick up summer money. And now they're bringing in younger audiences.

"Today we've got three young guys in the sideshows that have the women wetting their pants in every town we play. Mister Machismo, our strong man; El Bolero, our gaucho whip artist, and Santo, our sword-swallower and fire-eater."

All three are in their late teens and twenties, college students in the off-season but carnival performers during the summer months. Each has a well-developed, tightly muscular body.

"They hired me when their 70-year-old strong man retired," says Mr. Machismo, who plays fullback on his college football team. "When they handed me that guy's old leopard skin costume, I laughed so hard I almost pissed my pants. 'I can do this!' I told them. 'I'll show you what the chicks want to see.' I got my own outfit—heavy black boots and shiny stretch tights. Shit, you ought to hear those hotties groan when I walk out with a grapefruit sized bulge in my crotch and those tights crammed into my ass-crack.

"When I strut around, a lot of them reach right out and try to grab my butt or squeeze my balls. I get dirty notes at the trailer, like, 'I want to bite your cock off and eat it!' or 'Let me feel your naked butt and I'll give you anything you want!' or 'My boyfriend would pay to

watch you fuck me!' I also get lots of phone numbers and addresses. If the notes sound interesting, I give them a shot.

"Guys jam the tent to enjoy the hot views up my assistants' skirts. And after a few well-directed feels and brushes against my protruding costume, the girls are dripping pussy juice to get at me after the performance.

"Once I had a two young women offer me a hundred bucks to give them a private muscle show—without tights on, of course. I took them to the trailer and wearing just my boots I started to flex and lift light weights for them. Each movement brought more gasps and groans as one kept snapping instant pictures of me. When the other dropped her jeans and started rubbing her bare pussy, my dick rose to a full-sized boner. The two of them freaked out, screaming, 'Oh, my god!'

In a second they were both stripped and on the floor: 'Keep posing,' the photographer begged, so I continued stretching and rippling my muscles while they went to work, one in back and other in front. It was tough, holding those positions while one nibbled at my ass and shoved her fingers up my butthole and the other kissed my balls and shaft and smeared her face with moisture from my dickhead. 'What an ass!'

she kept crying, while she squeezed a cheek and kissed my ass and the other girl kept jerking herself to a climax between rounds of sucking my dick.

"I finally stacked the two of them up on the bed, with one on top and the other underneath, and started thrusting my cock into one pussy and then the other. I'm not sure which I finally pumped my cum into, but it was a hell of a good squirt and the two of them went through more orgasms than I could count. Needless to say, I didn't mind picking up the extra hundred either."

El Bolero, the carnival's whip artist, agrees that getting women from the audience to participate in his act has increased his erotic adventures. "The black costume and mask, the bullwhips," he says, "add up to a fantasy for a lot of these women. Most of them are farmers' wives, college girls, schoolteachers, and they lead lives that don't include wild, exotic sexuality."

"They're almost coming from the first crack of the whip," he says. "When I ask for a volunteer, every female hand goes up. I just pick out the best-looking woman and let the others get it on vicariously. Of course, no one gets hurt in my act, which makes their fantasies even more exciting.

"My wildest experience came when some guy walked up and asked me if I'd

be willing to administer mock discipline to his wife while he watched. She was a platinum-blonde bundle of curves who smiled at me hungrily.

"When I got to their house that night, the guy had his video camera set up. He said he had wanted to 'punish' his wife and she wanted him to, but they were both afraid he'd hurt her if he tried to whip her himself. With the video of me faking it, they could get turned on whenever they felt the need.

"The guy was very specific about what he wanted. I had to wear my mask the whole time. His wife came into the room half-dressed in full-length white gloves, a sleek white bra and panties and—believe it or not—a bride's veil.

"If you don't mind my prying,' I said to him, 'something happened at your wedding, right?' His thinking fascinated me almost as much as his busty wife. 'I was changing right after our reception,' she replied, 'and one of the guests, an old boyfriend, walked in on me. I was pretty high, very turned on, and we started sort of fooling around. My husband saw the whole thing. 'And you were in your underwear?' I asked. 'Dressed exactly like this,' she said.

"With the husband directing and running the camera, she and I started re-enacting the cheating scene with open-mouthed kisses and feverish petting. 'Take her bra off,' he said, while she gasped and rotated her pussy hard against me.

'He sucked me,' she whispered, when I peeled the big cups off her pointed tits. I drew an erect nipple deep

into my mouth. 'Suck them both!' ordered the husband, who was busily taking close-up shots of us.

"Now kneel down behind her,' he directed. 'Feel her ass up and kiss it!' I rubbed and squeezed the silky mounds of flesh, then buried my face between her butt cheeks while he took more close-ups. That's how he did it!

"The floor,' he then said to his wife, who lay down with her legs in the air. 'He kept kissing her stockinged legs,' said the director. 'All over. Left leg, then right.' I worked my lips from her thighs to her pointed toes. 'Now get on top of her!' he shouted. 'They were dry-humping!' I climbed between the woman's legs and, with her feet pounding into my back, she came long and loud. 'This is where I finally came in and punched the bastard!' said the husband. 'I won't punch you, but now it's time for you to punish her!'

"I worked with two bullwhips and she turned out to be a great actress. The cracking whip never even tickled her, but she was shrieking and sobbing with convincing sounds of both pain and pleasure. Some of that was because she kept climaxing repeatedly. The mock punishment was arousing her desire beyond belief.

The performance soon ended, but by then his wife was almost insane with lust. As she got up from the chair, she threw her arms around me, weeping and pounding cunt against my stiff cock. I felt awkward with her husband standing right there, but as he jerked away at his own dick while he watched

her crawling all over me, it looked like his voyeurism was even stronger than his jealousy.

"You're enjoying this, aren't you?' I asked him, as the grunting blonde kept bouncing her breasts against my chest and sliding her belly wildly against my balls. 'Would you fuck her in the ass while I watch?' he said pleadingly. When I started rolling the wife's panties down, he masturbated like a crazy man. I told her to get back on the chair but this time, instead of a whipping, I exposed my hard penis and rammed it straight up her asshole.

"Now her screams of delight were totally real, as my thick tool kept stretching her puckered asshole to its limit. The guy watched every move while I slid my hard-on in and out, faster and faster. 'Cream her, man. Shoot it up her ass!' he cheered, and as the blonde let out an earsplitting shriek, I shot a river of boiling jism in her rear end while her husband's cum poured out all over the floor. It was one of the best workouts I ever got!"

Then there's Santo, whose own sword has been swallowed more times than the one he uses in his act and who's breathed some hot fire over the nude bodies of curvaceous customers. Mister Machismo, El Bolero, Santo—all have benefited from the erotic spell the carnival casts on women.

So has Tony, who runs the Guess Your Weight attraction on the midway. "I'm the quick-feel man for chicks who are shy or just warming up," he says. "They get hot pants watching some stud ring the bell with a sledgehammer, or they come off one of the rides squealing and dripping honey. That's when they're ready to start playing with me.

"To guess their weight, of course, I've got to find out how firm and tightly packed they are. This means squeezing their shoulders, their waists, their hips. As soon as I see a leering smile cross their faces, I move on to thighs, then ass, tits, sometimes even their pussy.

"Shit, man, the carnies are the only place in the world for a ballsy guy like me. Right now I'm working on a side-show bit for myself. See, it's a magic act. I come out in this glittery jumpsuit and ask for volunteers.

Corina is getting deep down and dirty today. She is ready to give you the best pussy fuck that you've seen in a long time. And she does it by herself. Let's watch as she grinds on her glass dildo.

PUTTING IT IN ITS PLACE

Modeled after a salad spinner, the sexy toy is a welcome insertion into her pussy. Our photographer got some close ups that had our collective mouths watering. We promise this is a show you don't want to miss out on.

Rear End Collision

I was shaken and seriously pissed off as my car was brand new.

BANG!

A sudden jolt catapulted me forward. I didn't even have time to scream. Thankfully I was wearing my seatbelt. Otherwise I would've slammed my face against the windshield. And I like my face. Still, I was shaken and seriously pissed off as my car was brand new.

"Great." I slammed my hands against the steering wheel. "Just fucking great . . ."

I unbuckled my seat belt, activated my hazard lights, and climbed out from behind the wheel. Steeling myself for the disheartening sight of a mangled rear bumper, I walked around to the back of the car. Luckily the damage wasn't as bad as I had feared. Bad enough to require a

stay at the local body shop, sure, but the car was still drivable.

"I'm so sorry," said the motorist after he had gotten out of his car. "Are you okay?"

"I'm fine," I told him.

"It was my fault," he stated the obvious.

No shit, I thought. But I kept this to myself.

He seemed like a nice guy. And I wasn't the only one with a bashed in car. One of his headlight assemblies had been shattered in the collision.

"It's okay," I said. "These things happen."

"I have great insurance," he assured me. "They'll pay for everything."

Great insurance, I mused. And a great body!

His workout attire left little to the imagination. His was

a most impressive physique. The alluring odor of man sweat emanated from him in waves, turning me on in a major way. No doubt he had just left the gym.

Our fender bender had occurred during the morning rush. It wasn't long before a police cruiser arrived at the scene.

"You two okay?" the mustachioed officer asked us.

"We're fine," I replied.

The officer had parked behind my car. Blue lights flashing atop his cruiser, he stood in the street and diverted the flow of traffic while I exchanged information with the other driver.

The ordeal was over in a matter of minutes. I returned to my car and drove on to the office, figuring I would never again see the hot guy who had hit me.

Turns out I was wrong.

It wasn't until I arrived at work and settled in behind my desk that I read the message he had included with his phone number and insurance information.

So very sorry, he had written on the piece of scratch paper. Let me make it up to you . . .

The lingering scent of man sweat emanated from the paper. I got wet just sitting there at my desk.

I hadn't been fucked in a while and was itching for a good and proper poke. This was all the motivation I needed to pick up my desk phone and call him.

We agreed to meet for drinks after work.

Having gone back to his apartment after a few cocktails at the bar, I had all but demanded that he make up for this morning's fender bender. Now our clothes littered his bedroom floor. I lay on the bed, rubbing my pussy as he stood there stroking his cock.

"Get over her," I told him, "and fuck me."

He replied with actions rather than words. Grabbing my hips, he pulled me to the edge of the bed. Standing above me, his dick in hand, he positioned himself between my thighs and moved his glans up and down my wet slit. Panting with excitement, I lowered a hand and diddled my clit, getting hotter and wetter by the second.

I was dying to have him thrusting between my spread legs. When he finally entered me I thought I had died and gone to you know where. His was a big cock, but this wasn't the only perk. He knew how to use the thing, taking full advantage of his size with expert technique.

The guy couldn't drive worth a damn, but he could fuck like there was no tomorrow!

He pounded my pussy with increasingly faster and harder thrusts. I lay there in utter bliss. Still rubbing my clit, I used my other hand to caress my tits. My nipples were already stiff. My deft touch made them even stiffer.

"That's it," he urged me. "Play with those titties."

I did just that; this as he continued to pump with frenzied abandon. Things continued in this manner until he withdrew and flipped me over. I knew exactly what he had in mind, and I couldn't have been more pleased.

With his assistance, I scooted backwards until my feet touched the floor. Bent over the bed like that, my tits pressed against the comforter, my bum on full display, I turned my head to the side and said, "Yeah, baby. Stick it in. Fill my butt with that big beautiful cock."

I gasped as he entered me. He thrust tentatively, as if he were afraid of hurting me. I sighed with frustration. "Come on. You can do better than that. Ream my rear end like you did my rear bumper . . ."

My words had the desired effect. It wasn't long before he was pummeling my ass in earnest. I came with a fury.

He squeezed my hips, grunted loudly, and pulled out. Hot beads of cum spattered my fanny.

"That was fantastic," I said after catching my breath. "You can hit me from behind whenever you like."

His insurance paid for my costly body work.

But we never saw each other again.

Ours was definitely a brief relationship, beginning and ending with a BANG!

After Dinner Cums...

Ruby had the body of a super-model. She was quite blond, smart and very sexy. She's Canadian and I was vacationing in Toronto when we got to know each other over the Internet. We both discovered that we loved sex and decided to meet at a cafe and to make it happen. She invited me to her house in the suburbs and I was very surprised when she asked me to sleep with her from the first night. Of course, we began to kiss and then she asked me to lick her pussy.

She was very satisfied, not only by the oral sex, but by all the positions we tried, including doggy-style. I even had the courage to cum inside her, because I don't like to use the condoms.

We spent many a day and night together for more than six months and our sexual experiences got richer and richer. Now I feel that I'm able to do to a woman anything she wants – regarding sex. I can do anal, oral, normal.

We ultimately split up and I met another Canuck babe that I pursued for a few months. She was inattentive at

first, but I think my persistence wore her down. One day she agreed to have dinner with me by the water and afterwards we went for a walk along the lake front. We came upon a relatively secluded spot and I began to kiss her on her mouth and her nipples until she got very excited and horny.

Then we both went to a park and laid down on the grass. I started to kiss her body and my dick got harder than ever.

She grabbed my cock and pulled it into her pussy. She liked my cock in her pussy. As I began to push harder, she started to moan loudly. I thought we were going to be discovered, but neither of us could stop.

We both climaxed quickly and we both were satisfied. I was happy because I succeeded to fuck her after all the time I spent chasing her. After that first night, she wanted to make love every time and everywhere.

We liked to go out into nature and have wild sex away from everyone which was like a dream to me, especially because we were living in a very cosmopolitan area of Holland.

One of my favorite positions is when the girl sits on top of me and bends her body down towards me. I also like to take her with her back to me on her knees – doggy. I'm not a big fan of having sex during winter, but during the warm and hot seasons, I'm ready to go all the time.

I like Canadian women and American women and would love to have sex with an Asian woman one day soon. I also like shaved pussy rather than the hairy pussy.

I've never written to a magazine before and it's probably going to a long time before the next one, but I just had to tell you about my Canadian girls.
